

REPORT

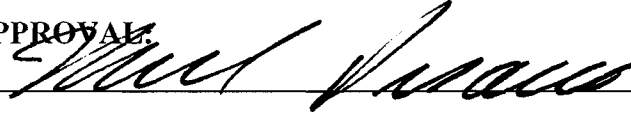

DATE: May 4, 2006

TO: Administration and Regional Council Members

FROM: Nancy Pfeffer, Sr. Regional Planner, 213-236-1869, pfeffer@scag.ca.gov

SUBJECT: Sponsorship Approval for the October 19-20, 2006 conference of the West Coast Section of the Air & Waste Management Association relating to air pollution and goods movement

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

Approve SCAG's sponsorship of the October 19-20, 2006 conference of the West Coast Section of the Air & Waste Management Association relating to air pollution and goods movement.

BACKGROUND:

Staff is requesting approval of sponsorship at no cost to SCAG for the West Coast Section of the Air & Waste Management Association conference relating to air pollution and goods movement. Goods movement is a critical issue facing the SCAG region, and sponsorship of this conference will reflect SCAG's ongoing commitment to addressing goods movement in the region.

The West Coast Section of the Air & Waste Management Association conference, which is being hosted by the Air & Waste Management Association, focuses on environmental responsibility in the fields of air and waste management. Port emission issues will be highlighted at this conference, a critical component of SCAG's goods movement program.

Through this sponsorship, SCAG would have the opportunity to influence and participate in the conference's program development, outreach, and provide direction for the conference's goods movement discussion.

FISCAL IMPACT:

There would be no cost to SCAG to co-sponsor this conference.
